

INFORMATION

Subject: New mapping 2T 2021

Dear distributors,

New mappings updated are now available on the Sherconetwork.

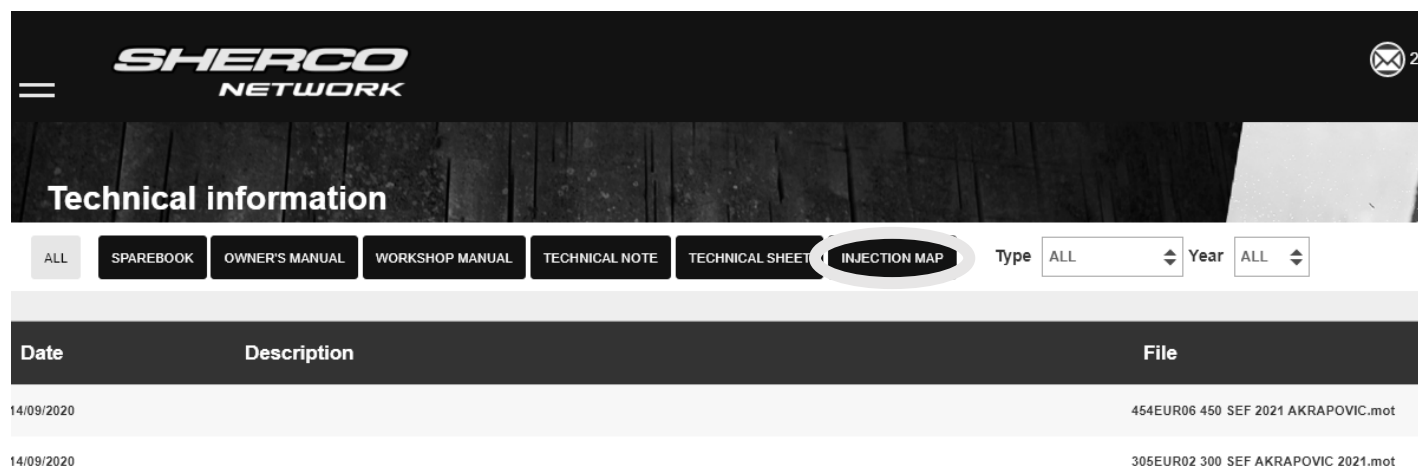

Model 250 SE 2021 (**252CDI02**)

Model 300 SE 2021 (**302CDI03**)

Improvements have been made to the following points:

- Starting: improved: starting at different engine T °

Now available to download on section **TECHNICAL INFORMATION → INJECTION MAP**.

The screenshot shows the Sherco Network website interface. At the top, there is a header with the Sherco Network logo and a notification icon. Below the header, the 'Technical information' section is active, displaying a navigation menu with tabs: ALL, SPAREBOOK, OWNER'S MANUAL, WORKSHOP MANUAL, TECHNICAL NOTE, TECHNICAL SHEET, and INJECTION MAP (which is highlighted). To the right of the tabs are filters for 'Type' (set to ALL) and 'Year' (set to ALL). Below the navigation menu, a table lists technical documents:

Date	Description	File
14/09/2020		454EUR06 450 SEF 2021 AKRAPOVIC.mot
14/09/2020		305EUR02 300 SEF AKRAPOVIC 2021.mot

After sales department.
